Welcome Letter

Welcome to a new school year of Faith Formation at St. John the Beloved. A school is a wonderful place for children of all ages. Each school year provides an opportunity to begin anew. No matter what study habits were developed, no matter what was learned, no matter how a child performed in the previous school year, the new school year provides an opportunity to start anew. Every child can develop new study habits, learn new subject matter, and perform better than the previous year.

Pope John Paul II proclaimed that the Church needed a “New Evangelization” to encourage its members to live the Catholic way of life more fully. This “New Evangelization” is a way for all Catholics to be refreshed and start anew the way they live their Catholic Faith, just like school children starting a new school year.

In agreement with his predecessor, Pope Benedict continued the emphasis on the “New Evangelization” by stating, “This sacramental journey is where we encounter the Lord’s call to holiness, addressed to all Christians.”

Pope Francis reinforced this last statement with one of his own, “The sacraments are indispensable in passing on the faith of the Church, as they draw people to Christ’s ongoing real presence in the world.” He added, “The new evangelization calls for personal involvement on the part of each of the baptized.”

Through our Family Catechesis each child enrolled in our faith formation program will be encouraged to develop an on-going relationship with our loving God through the person of Jesus, to participate in the Sacraments, and to learn the teachings of our Catholic Faith. These are the elements of the “New Evangelization,” the way to live our Catholicism more fully.

Just as the children of our parish can start the school year anew, I invite every parent, every family member, to consider what the “New Evangelization” means to them. Just as each school year provides the opportunity to develop new study habits, to learn something new, and to perform better than last year, I invite each of us to consider how we can live our Catholicism more fully. Consider how you would answer these questions:

- How can I deepen my relationship with Jesus Christ?
- How can I better utilize the sacraments as a meeting place with Jesus?
- What should I study to understand the Gospel teachings of Jesus more fully?

As I look at these questions, I feel challenged, I hope you do, too. Let us all work to live our Catholicism just a little more fully this year, taking advantage of the opportunity to start anew.

The Faith Formation Program of Saint John the Beloved Parish is supported by the parishioners of the parish; therefore, children of registered families receive priority in registering for classes. Students must be re-enrolled for each year of Faith Formation they attend and are typically enrolled in the grade in which they are currently attending in school. Saint John the Beloved Parish makes no discrimination based on race, color, national or ethnic origin in administration of its educational policies, admission policies, and tuition assistance.

For their children to be admitted, the parents must:

- Accurately complete and return all appropriate registration forms which are available online and in the parish office.

Classes for Students Attending Catholic Schools

While children of all parishioners are welcome to attend Faith Formation at St. John the Beloved, those students attending Catholic schools are only required to attend the sacramental preparation classes of the desired sacrament. Baptized Catholic school students who have reached the Second Grade must enroll in First Reconciliation/First Communion Preparation Classes. Catholic school students in Eighth Grade must enroll in Confirmation Preparation Class. Students are required to be enrolled for two years in a Catholic School or Religious Education Program before enrollment in the sacramental preparation class.

Parents & Catechists

The parish makes every effort to select Catechists who can handle the responsibility involved in this ministry. Saint John the Beloved Parish offers training courses to increase the skills needed for the catechists to be successful. While the DRE supervises the catechists to help them fulfill their responsibilities, parents are asked to recognize the challenges involved in being a volunteer catechist and support them whenever possible. If any problems regarding a class arise, parents are asked to first contact the catechist to discuss the situation. If that does not lead to a satisfactory resolution, parents are encouraged to contact the DRE. All parishioners have the right to final recourse to the pastor of the parish.

Attendance

Children who are enrolled in the parish catechetical program are expected to be in attendance for each scheduled class session. It is the responsibility of parents to insure their child's presence on a regular basis. If a student enrolled in a religious education class is absent for three or more classes without notification to the Faith Formation Office, it will be the responsibility of the parent/s to be sure the problem is addressed.

- For sacramental preparation classes of Confirmation, no more than three absences will be acceptable. [See Sacramental Guidebook for more requirements.](#)
- For the sacramental preparation classes of First Reconciliation or First Communion, no more than three absences will be acceptable. [See Sacramental Guidebook for more requirements.](#)

Students sign themselves in when they arrive in the class

Dress Code

All students should respect our parish property as the sacred space it represents and dress in a way that is consistent with that respect. Minimally students' dress should be consistent with local school dress codes, including, but not limited to:

- No bare skin exposed at the waist, back, cleavage, or shoulders.
- The length of shorts, skirts, or dresses should pass the "fingertip test." (If your fingertips touch your skin when your arms are held straight down at your sides).
- No hats, bandanas, hoods, or other head covering, are allowed.
- No imprinting on clothing that would be considered offensive, especially in a Catholic environment.

- No visible piercing on any body part, other than the ears.
- Safe footwear is always to be worn, no bare feet, rubber flip-flops or bedroom slippers.

Discipline

The Discipline Policy is based on the premise that order contributes to a safe program and that good stewardship respects all parish property. Behavior which

is destructive or disruptive will not be tolerated. Students are expected to carry out the following responsibilities:

- Show respect to catechists, other students, and program personnel.
- Obey teachers promptly and willingly.
- Arrive on time so as not to interrupt the class.
- Turn off, and remove from view, cell phones before entering the classroom.
- Use your voice and act in an appropriate and safe manner.
- Raise your hand and wait to be called upon before answering.
- Do not use foul or disrespectful language.
- Be present only in the areas of the building permitted at a specific time.

Consequences

If a child fails to fulfill these responsibilities:

- On the first occurrence the child will be reminded of and warned that their conduct is not in accordance with proper Christian behavior.
- On the second occurrence the parent of the child will be notified in writing by the catechist.
- Upon the third warning, the child and parent will be required to meet with the DRE for an appropriate solution.
- If the unacceptable behavior continues, the child will be dismissed from the class.
- If a child's one-time behavior endangers themselves or others, he/she will be immediately removed from class, the parent will be contacted, and the child will remain with the DRE until the parent picks up the child. The parent and DRE will discuss the situation and possible solutions before the child returns to class.

Attendance at Sunday Mass

According to the Catechism of the Catholic Church, the Eucharist is "the source and summit of the Christian life." (1324) The Eucharist (Mass) is central to us as Catholics and attendance at Mass is our greatest privilege. When we participate in the Mass, we sacramentally enter the Paschal mystery of Christ and thus engage in the highest form of prayer, which not only is the highest worship to God, but also the source of the most abundant blessings. Since God has given us this great privilege as a gift, it is our greatest responsibility as Catholics to accept and celebrate this gift regularly. For this reason, weekly attendance at Sunday Mass is the expectation for participation in the Religious Education Program. As mentioned earlier, parents should provide an example to their children in attending Mass regularly.

Prayers

As the primary educators of their children, parents are entrusted with the special privilege and responsibility for teaching their children to pray. Familiarity with traditional prayers is a significant element of the catechesis offered in the parish Faith Formation classes. While the staff and catechists of Saint John the Beloved are sensitive to the cultural variations amongst those participating in our program, all children are expected to learn their prayers in English.

- Children in the First Grade are expected to learn the Sign of the Cross, Our Father, Hail Mary, and Glory Be.
- Children in the Second Grade are expected to learn the Act of Contrition.
- Children in the Fourth Grade are expected to learn the Apostles Creed.
- Children in Confirmation Classes are expected to learn the Nicene Creed.

Sickness, Injury, Medications, Allergies, and Emergencies

If a child is sick, for their own safety and as a sign of respect for their classmates and catechist, they should not attend class. If the child has already missed a significant number of classes, the parent should discuss the situation with the DRE.

If a child becomes ill while in class, the parents will be contacted according to the information provided on the *Medical Authorization for Minor* form. If the parents are unavailable, an attempt will be made to reach the designated Emergency Contact. The DRE will make every effort to keep the child comfortable until picked up. Medications will not be administered to the child.

If an injury occurs, first aid will be administered, and the parents will be contacted. If the injury requires immediate medical attention, the DRE will call the appropriate emergency services, followed by a call to the parents.

No medication of any kind (including prescription and over the counter) will be administered to, or taken by, the student during the parish religious education program unless the parent has provided a written request with directives to the DRE.

Update of Information

It is the responsibility of parents to notify the DRE immediately of any changes in family information (address, phone number, email), emergency contacts, or medical conditions (allergies, dietary restrictions).
